1.2 Headings are for convenience only and do not affect interpretation. References to Clauses and Schedules are to clauses of and schedules to this Agreement. The singular includes the plural and vice versa.

1.3 This Agreement shall be interpreted in accordance with the laws of the Emirate of Dubai and the federal laws of the United Arab Emirates applicable therein, including the laws regulating the registration of off-plan sales and the operation of escrow accounts for real estate developments.

2. SALE AND PURCHASE

2.1 The Seller, Sandstone Estates FZ-LLC, agrees to sell and the Buyer, Fatima Zahra Bin Rashid, agrees to purchase, free from all encumbrances, the Villa identified as **DBV-VILLA-37** located on the ground and first level of the Project, together with the right to use the common areas of the Project in common with other owners, on the terms of this Agreement.

2.2 The total price payable by the Buyer for the Villa is **AED 3,980,000** (the "Purchase Price"). The Purchase Price is inclusive of the cost of the Villa but is exclusive of registration fees, administrative fees, service charges and any applicable taxes, all of which are payable by the Buyer in addition.

2.3 The Saleable Area of the Villa is **3,120.00 square feet**, as measured to the external face of external walls and the centre line of party walls. The Saleable Area is stated for the purposes of this Agreement and a variation of up to two per cent (2%) either way shall not entitle either party to an adjustment of the Purchase Price.

3. PAYMENT OF THE PURCHASE PRICE

3.1 The Buyer shall pay the Purchase Price to the Seller in six instalments in the amounts, on the dates and upon the occurrence of the events set out in the Payment Plan in Schedule 2. Each instalment is expressed as a percentage of the Purchase Price.

3.2 All payments shall be made in United Arab Emirates Dirhams by bank transfer, manager's cheque or other cleared funds to the escrow account designated for the Project and notified to the Buyer in writing. Payment into any other account shall not discharge the Buyer's obligation.

3.3 The Seller shall issue a written receipt for each instalment received within fourteen (14) days of receipt. The Buyer shall promptly notify the Seller of any discrepancy in a receipt.

3.4 Time for payment of each instalment is of the essence. The Seller shall provide the Buyer with a written reminder not less than fourteen (14) days before the due date of each instalment that is linked to a stage of construction, and the Buyer acknowledges that the due date of such instalment is the date stated in Schedule 2 or, if later, seven (7) days after the Seller's written notice that the relevant stage has been achieved.

4. CONSTRUCTION AND SPECIFICATIONS

4.1 The Seller shall construct the Villa and the Project in a good and workmanlike manner, in accordance with the plans and specifications approved by the competent authorities and in compliance with applicable building regulations. The Seller may make minor variations to the plans and specifications where required by the competent authorities or where necessary for technical reasons, provided such variations do not materially reduce the Saleable Area or the quality of finishes.

4.2 The Seller shall appoint a licensed consultant to supervise construction and shall procure that the construction works are inspected at each stage required by the competent authorities. The Buyer shall have no right to enter the construction site except with the prior written consent of the Seller and accompanied by a representative of the Seller.

4.3 The Seller shall maintain throughout the construction period such insurance as is required by applicable law, including contractor's all-risks insurance and ten-year latent defects insurance covering structural elements.

4.4 Any material change to the Project master plan that adversely affects the Buyer's access, view or use of the Villa shall require notice to the Buyer and, where required by law, approval of the competent authority.

5. COMPLETION AND HANDOVER

5.1 The Seller shall complete construction of the Villa and serve the Notice of Completion on or before **31 December 2027** (the "Handover Date").

5.2 The Seller shall be entitled to a grace period of **30 days** after the Handover Date within which to serve the Notice of Completion without liability under Clause 5.3 (the "Grace Period"). The Grace Period is granted solely to accommodate delays arising from ordinary construction contingencies and does not extend the Handover Date for any other purpose.

5.3 **Delay compensation.** If the Seller fails to complete construction of the Villa and to serve the Notice of Completion on or before the Handover Date, as extended by the Grace Period of 30 days, the Seller shall pay to the Buyer, as liquidated damages and not as a penalty, interest at the rate of 4.5% per annum on the Purchase Price, calculated pro rata for each day of delay occurring after the expiry of the Grace Period until the date on which the Notice of Completion is served.

5.4 The aggregate amount payable by the Seller under this Clause 5.3 shall not exceed 5% of the Purchase Price.

5.5 The Handover Date shall be extended day for day for any period of delay caused by an event of force majeure (including acts of God, war, epidemic, governmental action or restriction, and general shortage of materials not attributable to the Seller), provided the Seller notifies the Buyer in writing within thirty (30) days of the commencement of the event. The compensation in Clause 5.3 shall not accrue in respect of a period of force majeure so notified.

5.6 Within fourteen (14) days after the Notice of Completion the Buyer shall inspect the Villa together with a representative of the Seller and shall list any snagging items. The Seller shall rectify the listed items within a reasonable period. Possession shall be given against payment of all sums due under Schedule 2 and the registration and administrative fees referred to in Clause 2.2.

6. TITLE, REGISTRATION AND SERVICE CHARGES

6.1 The Seller warrants that it holds good and marketable title to the land on which the Project is being developed, that the Project is registered with the competent real estate regulatory authority, and that the sale of the Villa has been registered in the interim register of off-plan sales.

6.2 Upon payment of the full Purchase Price and all other sums due, the Seller shall cooperate with the Buyer to transfer title to the Villa into the Buyer's name at the Land Department. The Buyer shall bear the transfer and registration fees payable to the Land Department.

6.3 From the date of the Notice of Completion the Buyer shall be liable for service charges, utilities and owners' association contributions attributable to the Villa, at the rates determined from time to time by the competent authority or the owners' association.

6.4 The Seller shall hold the Buyer's payments in the escrow account until released against construction progress in accordance with applicable law. The Seller shall not use the escrow monies for any purpose unconnected with the Project.

7. DEFECTS LIABILITY

7.1 The Seller shall rectify, at its own cost, any defect in workmanship or materials in the Villa notified by the Buyer in writing within twelve (12) months after the date of the Notice of Completion (the "Defects Liability Period"), except where the defect results from fair wear and tear, misuse or alteration by the Buyer.

7.2 The Seller shall be responsible for structural defects in the Project for the period prescribed by the applicable law, being not less than ten (10) years from the date of completion.

8. ASSIGNMENT

8.1 The Buyer may not assign or transfer the benefit of this Agreement before the payment of the instalments due up to the date of assignment and without the prior written consent of the Seller, which shall not be unreasonably withheld. An administrative fee shall be payable to the Seller in connection with any approved assignment.

8.2 The Seller may assign its rights and obligations under this Agreement to an affiliate or successor developer approved by the competent authority, provided the assignee assumes all obligations of the Seller hereunder.

9. NOTICES

9.1 Any notice under this Agreement shall be in writing and delivered by hand, by registered courier or by email to the address of the recipient set out in Schedule 1. A notice delivered by hand is deemed received on delivery; a notice sent by courier on the third business day after dispatch; and a notice sent by email on the next business day after sending.

10. CONFIDENTIALITY, ENTIRE AGREEMENT AND GOVERNING LAW

10.1 Each party shall keep the terms of this Agreement confidential except as required by law, by a competent authority, or for the purpose of obtaining professional advice or financing.

10.2 This Agreement, together with its Schedules, constitutes the entire agreement between the parties relating to its subject matter and supersedes all prior negotiations, brochures and representations. Any amendment must be in writing and signed by both parties.

10.3 This Agreement is governed by the laws of the Emirate of Dubai and the federal laws of the United Arab Emirates. The courts of Dubai shall have exclusive jurisdiction, without prejudice to the jurisdiction of the specialised real estate dispute resolution centre where applicable.
